

Commerce Trust Banking Services

Resources to Help You Do More with Less

Because you can't afford to waste time or money when gathering, accessing, managing and disbursing funds, we've created commercial banking services to help you make the most of your time. From interest-bearing checking accounts and cash sweep programs that ensure your funds are always working, to lending programs tailored specifically for Taft-Hartley organizations, we provide a wide variety of services to make your funds work harder for members.

Deposit Services

-  — Interest-bearing checking and zero-balance account service, which can be accessed on line, ensure cash balances are never idle

Commercial Loans

-  — A wide range of commercial loans and lease-financing programs help you control costs

Treasury Services

-  — Cash sweep programs maximize short-term interest earnings
-  — Fund collection tools such as lock-boxes put contributions to work faster
-  — Web-based information reporting programs track and reconcile transactions, provide comprehensive reports and conserve your staff resources
