Sam's Story

Sarah's Story

A hot cup of coffee in hand, Sam and Sarah each sat down to pay bills and were alarmed to discover some fraudulent charges, prompting a call to their banks.

What's this in my account?

I don't remember this charge.

Both banks took immediate action.

Compromised card was canceled and replaced

Completed affidavit to report fraud

Provided provisional funds during investigation

But only Sarah had ID Theft Services

Sarah called the Resolution Center
Her dedicated Resolution Specialist immediately opened a case, and...

Where did this fraud come from?

Could it happen again?

Did this only affect my bank account?

Verified provisional funds, bank account & associated cards were taken care of

Initiated a comprehensive resolution process to understand what happened

Examined the incident to determine if any other cards or accounts were affected by fraud

Provided complimentary services to protect against future fraud and identity threats

Unlike Sam, Sarah has peace of mind knowing that she has ID Theft Services and a dedicated Resolution Specialist looking out for her
