

Creating professional business reports that you can be proud to share is super easy with BodeTree. BodeTree's automated reporting tool compiles all of the data from the system. Financial statements, industry comparisons, business forecasts, and more, into a beautifully pre-formatted PDF. Assemble the perfect report in a few simple steps, then print it out or email it to your team directly. Create a quarterly earnings report for your investors, a monthly status report for your management team, or a comprehensive overview for yourself in a matter of minutes, not hours. You can even opt to send reports automatically each month, at the time you specify. Plus, BodeTree saves every report you create and archives it for your reference in the future. It's just one more way we help make your small business more efficient, and more effective, as you go about your journey down the BodeTree path.
