

Prevent flu and more.

Get protected at any CVS Pharmacy®. No appointment necessary.

- Flu shots and other Centers for Disease Control and Prevention recommended vaccines available:
 - Injectable Seasonal Influenza Vaccine (Quadrivalent)
 - Injectable Seasonal Influenza Vaccine High-Dose
 - Zoster (Shingles)
 - Pneumonia
- Available in every store, every day*
- Take your prescription card and valid photo ID
- No copay**, no cost

*Flu shots and vaccines are available when an immunizing pharmacist is on duty, while supplies last. Most vaccines require a prescription (except for the flu shot).

**Copayment, copay or coinsurance means the amount a member is required to pay for a prescription health care service in accordance with a Plan, which may be a deductible, a percentage of the prescription price, a fixed amount or other charge, with the balance, if any, paid by a Plan.
