Standard APR: Your standard APR will be disclosed in your Account Opening Disclosure with your new checks approximately 7-10 business days after Account approval.

Prime Rate: The Prime Rate used to determine the APR on your Account is the U.S. Prime Rate published in *The Wall Street Journal* in its column called "Money Rates" on the last business day of each month.

Installment Draw: Not available on lines of less than \$2,000. Any Cash Advance of \$2,000 or more (an "Installment Draw") has a required minimum monthly payment ("Minimum Installment Draw Payment"). The Minimum Installment Draw Payment is calculated over 48 months at the interest rate in effect at the time of the Installment Draw.

The Minimum Installment Draw Payment remains the same for the first 47 months. Your final payment may vary and will be for all outstanding principal and all accrued interest not yet paid.

Cash Advances of less than \$2,000 do not have a required installment repayment amount calculated over a term of 48 months. These advances are part of a Revolving Balance, which is repaid in accordance with monthly minimum payment requirements described in the ***ReadyLine* of Credit** Agreement.
