

Challenge Accepted, Retirement Couple: Transcript

Announcer:

At Commerce Bank we're here to help you with whatever challenges life throws at you. Whether big or small, we can help.

All you have to do is ask.

So go on, ask. What challenges can we help you with?

Husband:

We're thinking of retiring in a few years. How can we tell if our money's as ready as we are?

Announcer:

We'd love to help with that. Challenge accepted.

Wife:

Great... Now can you help translate our daughter's text messages?

Announcer:

No.

Wife:

Why is she shook that someone spilled some tea?

Announcer:

You'll... have to work that one out on your own.

At Commerce Bank, we have the technology and people to get you through any *financial* challenge life throws at you.
