

## Meet Clover Go

Hello Clover Go [Action shot of someone walking through the city holding up a Clover Go device.]

Pair Clover Go with your iPhone® or iPad® to take payments securely, virtually anywhere. [Vendor at a market pairing their phone with Clover Go, transitioning to city scene.]

Chip, swipe, Apple Pay® [Shot of different merchants using the product - barber shop, newsstand]

Check out in under a minute with one single device and one amazing app [Shot of person paying with their watch and then their phone.]

Plus powerful tools [various apps] and it's all synched to the cloud.

Go here. Go there. Clover Go.
