1

00:00:00.261 --> 00:00:01.970

(gentle whistling music)

2

00:00:01.970 --> 00:00:04.410

<v Narrator>Running a business means you're always juggling</v>

3

00:00:04.410 --> 00:00:05.623

what needs to get done.

4

00:00:06.460 --> 00:00:08.500

But what if you could focus on what's important

5

00:00:08.500 --> 00:00:12.380

for your business today, and put the rest on autopilot?

6

00:00:12.380 --> 00:00:15.300 line:15%

<v ->When we first opened up, I was working 20 hour days,</v>

7

00:00:15.300 --> 00:00:18.090 line:15%

I didn't have a break, I slept in the office.

8

00:00:18.090 --> 00:00:20.910

We were using a system that took a long time

9

00:00:20.910 --> 00:00:23.400

to get transactions through.

10

00:00:23.400 --> 00:00:25.570

The lines were outrageous because of it.

11

00:00:25.570 --> 00:00:28.240

Clover changed everything for us.

12

00:00:28.240 --> 00:00:29.350

<v Narrator>With Clover Station,</v>

13

00:00:29.350 --> 00:00:31.490

you get more than a payment terminal.

14

00:00:31.490 --> 00:00:34.410

It's an all in one business management system

15

00:00:34.410 --> 00:00:36.660

from selling more to current customers

16

00:00:36.660 --> 00:00:38.120

and reaching new ones

17

00:00:38.120 --> 00:00:41.180

to the daily tasks that keep your business humming,

18

00:00:41.180 --> 00:00:42.680

Clover's in your corner.

19

00:00:42.680 --> 00:00:46.160

<v Andrew>Clover has allowed me to be able to manage</v>

20

00:00:46.160 --> 00:00:47.800

the business when I'm not at the business.

21

00:00:47.800 --> 00:00:51.310

I can know everything that's going on in my kitchen.

22

00:00:51.310 --> 00:00:54.070

<v Narrator>Clover's custom app market is uniquely designed</v>

23

00:00:54.070 --> 00:00:56.320

specifically for small business.

24

00:00:56.320 --> 00:00:58.880

For so many of the job you need to get done,

25

00:00:58.880 --> 00:01:00.870

Clover's got an app that can help.

26

00:01:00.870 --> 00:01:03.200

<v ->It's almost like having another employee on board,</v>

27

00:01:03.200 --> 00:01:04.640

an employee that works hard

28

00:01:04.640 --> 00:01:07.530

and gives me the information we need.

29

00:01:07.530 --> 00:01:10.610

<v Narrator>Clover Station features a touch screen display,</v>

30

00:01:10.610 --> 00:01:13.330

card swiper, barcode scanner,

31

00:01:13.330 --> 00:01:16.053

and comes loaded with all the essential apps.

32

00:01:17.070 --> 00:01:19.710

You also get a high speed receipt printer

33

00:01:19.710 --> 00:01:21.790

and a matching cash drawer.

34

00:01:21.790 --> 00:01:25.630

Add extras that can help your business run even smoother,

35

00:01:25.630 --> 00:01:28.190

like the Clover mini to accept chip card

36

00:01:28.190 --> 00:01:29.980

and contactless payments,

37

00:01:29.980 --> 00:01:32.530

the kitchen printer, and even Clover mobile,

38

00:01:32.530 --> 00:01:34.993

so you can take check out to your customers.

39

00:01:36.010 --> 00:01:38.100

<v ->This business is my passion</v>

40

00:01:38.100 --> 00:01:40.490

and I hope to have more like it one day.

41

00:01:40.490 --> 00:01:42.470

For every business I get from here on out,

42

00:01:42.470 --> 00:01:45.330

there's gonna be a Clover Station in every one of them.

43

00:01:45.330 --> 00:01:48.130

<v Narrator>Whatever the job, Clover's got you covered.</v>
