

1

00:00:00.734 --> 00:00:02.602

Today's on-the-go lifestyle

2

00:00:02.602 --> 00:00:04.371

deserves an equally mobile banking app

3

00:00:04.371 --> 00:00:05.472

to keep things running.

4

00:00:06.306 --> 00:00:07.607

Whether you're off to work,

5

00:00:07.607 --> 00:00:09.175

school, the big game,

6

00:00:09.175 --> 00:00:11.044

or a blissful weekend at the beach,

7

00:00:11.044 --> 00:00:12.212

we're coming along.

8

00:00:12.212 --> 00:00:13.913

Put your finances at your fingertips

9

00:00:13.913 --> 00:00:16.015

with the Commerce Bank mobile banking app.

10

00:00:17.117 --> 00:00:19.252

Not sure if that purchase is a good idea?

11

00:00:19.252 --> 00:00:21.454

Check your balance before you buy.

12

00:00:21.454 --> 00:00:23.156

Once you're ready to make a purchase,

13

00:00:23.156 --> 00:00:25.291

just make a quick transfer.

14

00:00:25.291 --> 00:00:27.160

Birthday check from Aunt Agnes?

15

00:00:27.160 --> 00:00:28.862

No need to take it to the bank...

16

00:00:28.862 --> 00:00:31.097

just deposit it with a snap.

17

00:00:31.097 --> 00:00:32.232

Hang on a second...

18

00:00:32.232 --> 00:00:34.234

Did the electric bill get paid?

19

00:00:34.234 --> 00:00:35.201

No worries.

20

00:00:35.201 --> 00:00:37.437

Just send a payment from the bleacher seats.

21

00:00:37.437 --> 00:00:38.905

When heading out of town,

22

00:00:38.905 --> 00:00:41.107

just let us know with a travel notification.

23

00:00:41.107 --> 00:00:43.209

We'll make sure you can seamlessly use your cards

24

00:00:43.209 --> 00:00:45.078

at your destination.

25

00:00:45.078 --> 00:00:46.479

After you've set up alerts,

26

00:00:46.479 --> 00:00:48.515

we text you when something happens

27

00:00:48.515 --> 00:00:49.783

that you want to know about.

28

00:00:49.783 --> 00:00:52.185

No active monitoring necessary.

29

00:00:52.185 --> 00:00:53.753

Money management on the go

30

00:00:53.753 --> 00:00:55.155

is a snap with Commerce.

31

00:00:55.155 --> 00:00:57.223

But Aunt Agnes' thank-you note?

32

00:00:57.223 --> 00:00:58.558

That's on you.
