

1

00:00:00.400 --> 00:00:03.003

Fighting fraud isn't just for superheroes.

2

00:00:03.803 --> 00:00:06.439

At Commerce, we empower you to protect yourself

3

00:00:06.439 --> 00:00:08.742

with digital tools that make it simple.

4

00:00:08.742 --> 00:00:10.477

And you won't need a cape.

5

00:00:11.244 --> 00:00:13.046

Set up Online Banking Alerts

6

00:00:13.046 --> 00:00:15.448

to monitor your credit and debit card activity.

7

00:00:15.782 --> 00:00:17.884

You can be notified if your card is used

8

00:00:17.884 --> 00:00:19.452

outside of the U.S.,

9

00:00:19.452 --> 00:00:22.455

online, over the phone or by mail.

10

00:00:23.656 --> 00:00:25.392

You can also be warned if a transaction

11

00:00:25.392 --> 00:00:27.227

exceeds your trigger amount.

12

00:00:28.461 --> 00:00:30.730

Once you're set up, we'll text or email you

13

00:00:30.730 --> 00:00:32.632

if any of your selected events happens.

14

00:00:32.632 --> 00:00:34.134

Easy, right?

15

00:00:34.134 --> 00:00:35.435

But that's not all.

16

00:00:35.435 --> 00:00:36.870

Ever look in your wallet and notice

17

00:00:36.870 --> 00:00:38.571

a missing debit or credit card?

18

00:00:38.571 --> 00:00:39.939

No need to panic!

19

00:00:39.939 --> 00:00:42.108

Just lock the card with a flip of the switch

20

00:00:42.108 --> 00:00:44.110

from our Commerce Bank Mobile Banking app

21

00:00:44.110 --> 00:00:46.746

or through Online Banking at commercebank.com.

22

00:00:46.746 --> 00:00:49.616

With our Mobile Banking app, you can monitor your accounts

23

00:00:49.616 --> 00:00:51.117

no matter where you are.

24

00:00:51.117 --> 00:00:52.552

And if you need to call for help,

25

00:00:52.552 --> 00:00:54.020

that's easy too.

26

00:00:54.854 --> 00:00:56.389

With our digital tool kit,

27

00:00:56.389 --> 00:00:57.857

you can help prevent fraud.
