

## **VISA Click-to-Pay Video Transcript**

We see you online shoppers. And we've made it easier than ever to pay online. No need to enter a card number, remember a password, or try to remember which email address you're using. It's simple. First, just visit [checkout dot visa dot com](http://checkout.visa.com) to register your commerce visa, debit and credit cards. Then when it's time to check out, just look for the symbol and presto, your card information is automatically filled in.

What could be easier? And with every transaction, you'll get the benefit of Visa's payment security measures and fraud fighting system so you can buy with confidence. Register today and get started. But picking up the perfect coffeemaker that's on you.
