Meet Melissa and Andy. Married two months.

Their challenge?

Should we have a joint account or keep it separate?

You need art supplies and I have a shoe fund.

Do we need a third account for bills?

Why don't you ask Rachel?

Rachel's a Commerce banker through the Commerce Bank CONNECT® app, who's always as close as their smartphone for questions like these.

I need her to put you on the mortgage, too.

Yeah, no rush!
