

Digital Banking on the Go Video Transcript

Today's on-the-go lifestyle deserves an equally mobile banking app to keep things running.

Whether you're off to work, school, the big game, or a blissful weekend at the beach, we're coming along.

Put your finances at your fingertips with the Commerce Bank mobile banking app.

Not sure if that purchase is a good idea?

Check your balance before you buy.

Once you're ready to make a purchase, just make a quick transfer.

Birthday check from Aunt Agnes?

No need to take it to the bank... just deposit it with a snap.

Hang on a second...

Did the electric bill get paid?

No worries.

Just send a payment from the bleacher seats.

When heading out of town, just let us know with a travel notification.

We'll make sure you can seamlessly use your cards at your destination.

After you've set up alerts, we text you when something happens that you want to know about.

No active monitoring necessary.

Money management on the go is a snap with Commerce.

But Aunt Agnes' thank-you note?

That's on you.
