

Mobile Banking Video Transcript

Whether you're at home or on the go, the Commerce Bank Mobile Banking App makes it easier than ever to manage your money anywhere, 24/7, using your mobile device.

Simply download the app, then log in with your existing Online Banking ID and password.

Then quickly: check balances, lock and unlock your debit or credit card, pay bills, make deposits, transfer funds between accounts.

Plus, you can view check images and even customize the app to make it uniquely yours.

Fast. Convenient. Free.

Download the Commerce Bank Mobile Banking App today.
