CREDIT CARD SERVICES

The following provisions relate only to credit card services except as otherwise applicable.

ACCOUNT DESCRIPTION

We will grant you a line of credit with a maximum dollar limit as determined by us. This limit will be indicated on your Statement. Subject to the terms of this Agreement, you may use your Account to make Purchases and obtain Cash Advances, including Balance Transfers and Convenience Checks, that do not exceed your credit limit at any time. Should your Purchases, and/or Cash Advances ever exceed your credit limit, we reserve the right to terminate this Agreement and demand the return of your Card(s). We can increase or decrease your credit limit at any time without prior notice or liability. A change to your credit limit will not affect your obligation to pay us.

We may decline, at any time in our sole discretion, an authorization request for any transaction for any reason, included but not limited to:

- operational considerations,
- your Account is in default,
- we suspect fraudulent or unlawful activity

We are not responsible for any losses or damages, including consequential damages, if a transaction on your Account is declined, either by us or a third party, even if you have sufficient credit available.

PROMISE TO PAY

You promise to pay for all Purchases and Cash Advances, including Balance Transfers and Convenience Checks, made by you through the use of the Account. In addition, you promise to pay all other amounts owed due to use of the Account by anyone else you authorize to use the Account until such person’s authority is ended. You may only end such person’s authority by notifying us in writing and returning to us any Card such person may have. All of you are responsible, both together and individually, for the entire Account balance even though only one of you uses the Account.

BILLING STATEMENTS

You will receive a Statement periodically (normally monthly). Your payment is due within 25 days from the date of the Statement (payment due date).

PAYMENT OPTIONS

You may pay the new balance shown on your Statement each month or you may pay in monthly installments. If you decide to pay in monthly installments, you must pay at least the minimum payment on your Statement. The minimum payment will be the greater of:

- \$30.00 or the full amount of your total balance if it is less than \$30.00; or
- 3.00% of your new balance plus any amounts that are past due; or
- 1.00% of your new balance plus any amounts that are past due, plus Fees and Interest Charges accumulated during the billing period.

When a payment is posted to your Account, we reserve the right to place a temporary hold on the available credit created by the payment until we can reasonably determine that the check or other form of payment will be paid.

OVERDRAFT PROTECTION

If you select overdraft protection, a Cash Advance will be made to cover an overdraft in your designated Commerce Bank deposit account. Such Overdraft Cash Advances will be in the amount of \$50.00 or multiples of \$50.00. If the designated deposit account is a joint account, you will be liable for all overdrafts on the account regardless of which joint account owner caused, or benefited from the overdraft. Each Overdraft Cash Advance is at our discretion. We are not liable or responsible for any check drawn that may for any reason be returned or otherwise dishonored. We may cancel this overdraft feature at any time without notice.

BALANCE ON WHICH INTEREST CHARGE IS CALCULATED

If you accrue any Interest Charge on your Account at a variable rate, that rate will be calculated by adding a margin to the Prime Rate. **Please see the ACCOUNT OPENING DISCLOSURE, which is part of this Agreement, for specific information regarding the APRs used to compute your Interest Charges.**

We calculate your Daily Balance for each day in the billing cycle by taking your beginning balance, adding any new transactions or other debits, and subtracting any payments or other credits. We multiply the Daily Balance by the Daily Periodic Rate to get your Interest Charges for that day. We add these Interest Charges to your Daily Balance to get the beginning balance for the next day. We do this for all days on which you have a balance owing on the Account, disregarding any credit balance, for the billing cycle.

We add all the daily Interest Charges and round the sum to the next highest cent to get your total Interest Charges for that billing cycle. We do this calculation separately for each type of balance.

The Prime Rate used to determine the APR on your Account is the U.S. Prime Rate published in *The Wall Street Journal* in its column called “Money Rates” on the last Business Day of each month. Although each Daily Periodic Rate is determined by an index published prior to the first day of each calendar month, the respective Daily Periodic Rate will only become effective and charged as of the first day of the monthly billing period following the respective calendar month in which the index is so published. No representation is made that the U.S. Prime Rate is the lowest, the best or the favored rate of interest. If for any reason *The Wall Street Journal* no longer publishes the “Money Rates” column, then we will choose a new index based on comparable information. An increase in the Prime Rate will cause your interest rate to increase and may cause your minimum monthly payment to increase.

INTEREST CHARGE COMPUTATION

- **ON PURCHASES:** Interest Charges on Purchases begin to accrue on the transaction date, provided such date will never be later than the date the Purchase is posted to the Account or earlier than the first day of the billing cycle for the Statement on which such transaction is shown. Purchases are subject to a Grace Period. If the previous balance is zero, or was paid in full by the payment due date shown on your Statement, no Interest Charge will be assessed on current Purchases.
- **ON CASH ADVANCES:** Interest Charges begin to accrue on the date of the Cash Advance, provided such date will never be later than the date the Cash Advance is posted to the Account or earlier than the first day of the billing cycle for the Statement on which such advance is shown.

TOTAL INTEREST CHARGE COMPUTATION

We add Interest Charges for each type of balance to obtain your total Interest Charge for each billing cycle.

PENALTY RATE AND WHEN IT APPLIES

If at any time we have not received the required minimum monthly payment within 60 days of the respective payment due date, we may increase the applicable APR to the Penalty Rate. **Please see the ACCOUNT OPENING DISCLOSURE for information regarding the Penalty Rate for your Account.** The Account may be eligible for your standard Daily Periodic Rates and corresponding APR for each type of balance after you have met the terms of this Agreement for six consecutive billing cycles after the monthly Statement on which the Penalty APR first appears. Otherwise, the Penalty Rate may apply indefinitely.

TERMINATION OF INTRODUCTORY OR PROMOTIONAL RATES

If during an Introductory or Promotional Rate period, we have not received the required minimum monthly payment within 60 days of the respective payment due date, we will increase the applicable APR to the

Penalty APR. Introductory and/or Promotional Rates will not be reinstated.

Your Billing Rights: Keep this Document for Future Use
This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement
If you think there is an error on your Statement, write to us at:
Commerce Bank P.O. Box 411036, Kansas City, MO 64141-1036
You may also send us this information **via fax at 1-816-234-2811**

- In your letter, give us the following information:
- Account information: Your name and Account number.
 - Dollar amount: The dollar amount of the suspected error.
 - Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.
- You must contact us:
- Within 60 days after the error appeared on your Statement.
 - At least 3 Business Days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:
1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.

2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your Statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any Interest Charges or other Fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable Interest Charges and Fees. We will send you a Statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have Purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the Purchase.

To use this right, all of the following must be true:

1. The Purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your Purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the Purchase. Purchases made with Cash Advances from an ATM or with a check that accesses your credit card Account do not qualify.
3. You must not yet have fully paid for the Purchase.

If all of the criteria above are met and you are still dissatisfied with the Purchase, contact us in writing at:

Commerce Bank P.O. Box 411036, Kansas City, MO 64141-1036

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

LIABILITY FOR UNAUTHORIZED USE

If your name appears on the Account for the Card(s) accompanying this Agreement, then by using or permitting another to use the Card(s) and/or PIN, you agree to all the provisions of this Agreement, including, but not limited to your promise to pay. You will not be liable for unauthorized use that occurs after you notify Commerce Bank orally or in writing. Notification of loss, theft or possible unauthorized use may be mailed to **Commerce Bank, P.O. Box 411036, Kansas City, MO 64141-1036**, or you may call **1-800-645-2103**.

You may request the Special Connections Feature from a Commerce Bank branch, through Commerce Bank Online Banking, or from our Customer Service Department at 1-800-645-2103. These features are not automatically activated.

For customers with a *Special Connections*® Visa® or MasterCard® credit card, please note: The Special Connections Feature is different from a Commerce Bank *Special Connections* Visa or MasterCard credit card. The Special Connections Feature allows you to add certain functionality to *any* Commerce Bank-issued credit card, *including* Commerce Bank’s *Special Connections* Visa or MasterCard credit card. However, your *Special Connections* Visa or MasterCard credit card is not automatically enabled with the Special Connections Feature. You must proactively enroll any credit card, including your *Special Connections* Visa or MasterCard credit card, in the Special Connections Feature in order for that card to utilize the Special Connections Feature’s capabilities described herein.

ELECTRONIC FUND TRANSFERS

The following provisions apply only to Electronic Fund Transfers (“EFTs”). EFTs are any transfer of funds initiated with your Card(s) at an ATM or as a PIN-based debit transaction (“Point of Sale”). We can cancel these services at any time and for any reason without notice. We can also cancel your entire Account, including credit card services, and

revoke your Card(s) as provided in the CANCELLATION paragraph above. This may be done by an ATM or merchant not returning your Card(s) to you. We may change the terms of this Agreement relating to EFTs without notice to you unless required by law.

WHAT CONSTITUTES BANK’S BUSINESS DAY

Our Business Days are Monday through Friday. Federal holidays are not included.

DISCLOSURE OF CONSUMER’S LIABILITY FOR UNAUTHORIZED TRANSFERS AND ADVISABILITY OF PROMPT REPORTING

Tell us AT ONCE if you believe your Card(s) has/have been lost or stolen or if you believe that an EFT has been made without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your deposit account plus your maximum overdraft line of credit. If you tell us within two Business Days after you learn of the loss or theft of your Card, you can lose no more than \$50 if someone used your Card without your permission.

If you do NOT tell us within two Business Days after you learn of the loss or theft of your Card, and we can prove that we could have stopped someone from using your Card and making transfers from your deposit account without your permission if you had told us, you could lose as much as \$500.

Also, if your deposit statement shows transfers that you did not make, including those made by Card, code or other means, tell us at once. If you do not tell us within 60 days after the deposit statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods at our discretion.

TELEPHONE NUMBER AND ADDRESS TO BE NOTIFIED IN EVENT OF UNAUTHORIZED TRANSFER OR LOST/STOLEN CARD

If you believe your Card has been lost or stolen, call: **1-800-645-2103** or write: **Commerce Bank, P.O. Box 411036, Kansas City, MO 64141-1036**. If you believe that someone has transferred, or may transfer money from your deposit account without your permission, call or write us at the phone number or address shown at the top of your deposit statement rather than the phone number and address in this paragraph.

TYPES OF AVAILABLE TRANSFERS AND LIMITS ON TRANSFERS
Account Access. The following EFTs are only available if you request the Special Connections Feature. Depending on the type of accounts that Commerce determines from time-to-time are eligible for the Special Connections Feature as well as which of your accounts you choose to access using the Special Connections Feature, you may use your Card to perform the following functions where otherwise permitted:

ATM Transaction

At the ATM, insert your Card and enter the credit card PIN that you established for this Card to (i) withdraw cash from, deposit money in, transfer funds between, or learn the balances in your checking, regular savings or money-market accounts; (ii) use funds from your checking, regular savings, and money-market accounts to make payments on your Commerce credit cards, lines of credit or loans or (iii) take cash advances on your Commerce credit cards.

The account(s) you designate for ATM accessibility will be considered your Special Connections Feature at the ATM Account(s) (“ATM Account”). If you wish to designate one or more checking accounts as an ATM Account, then you must designate one of those checking accounts as your Point of Sale Account as defined below. In order to have ATM access to your checking accounts, you must at all times maintain a Point of Sale Account. If you no longer have a Point of Sale Account, then you will lose ATM access to all of your checking accounts.

Commerce has no control over the functionalities offered at non-Commerce ATMs. Some or all of these features may not be available at all non-Commerce ATMs and some ATMs may allow you to perform other functions not mentioned here, including the ability to make purchases (e.g. stamps). If at any time you use a non-Commerce ATM to request to take money from an account that you do not have or if the non-Commerce ATM does not prompt you to select a specific account from which to take the money, then you agree that Commerce will attempt to comply with your request by providing you with money from one of your open ATM Accounts. Cash withdrawals may be taken from any open deposit ATM Account owned by you and cash advances may be taken from any credit card ATM Account owned by you.

Point of Sale Transaction

You may designate one (1) checking account as your Special Connections Feature at the Point of Sale Account (“Point of Sale Account”). At merchants that have agreed to accept the Card on networks utilized by us, you can use funds in your Point of Sale Account to pay for your purchases. When prompted, select “DEBIT” at the point of sale and enter your credit card PIN that is tied to this Card. The purchase amount will be deducted from your Point of Sale Account. The use of your Card in this manner constitutes a simultaneous withdrawal from and/or demand upon your checking account, even though the transaction may not actually be posted to your account until a later date.

Only Commerce checking accounts are eligible for this functionality and only one (1) Commerce Bank checking account can be designated as the Point of Sale Account at any one time. Your Point of Sale Account shall always remain as an ATM Account. If at any time you instruct Commerce to remove the Point of Sale capabilities from your card, you will no longer have access to any of your checking accounts at the ATM.

ATM and Point of Sale transactions will post to your checking account(s) as detailed in your Deposit Agreement.

Foreign Transaction

For transactions occurring outside of the United States, the nature of which is unspecified to us, we will apply the transaction to accounts in the following order: checking, money-market, regular savings, Commerce Visa or Commerce MasterCard.

Limitation on Frequency of Transfers. There are no limitations on the number of transfers that can be made during any time period to or from any deposit account.

- Point of sale transactions using a credit card PIN to access a checking account: Unlimited.
- ATM withdrawals or deposits: Unlimited.

Limitation on Dollar Amount of Transfers. POINT OF SALE TRANSACTIONS

You may use your Card only in the manner and for the purposes authorized by this Agreement. Any person honoring your Card may be required to obtain approval or authorization for any transaction. If an overdraft in your deposit account results from the use of the Card, you will pay us on demand this negative balance and our then current charge for overdrafts. In addition, if your deposit account is closed before transactions are posted you will pay us on demand the outstanding amount.
